Dear Rowland:

Many thanks for sending me the copy of your timely talk before the St. David's Society in New York recently. Your two major points on the domestic and international situation were clearly and succinctly set forth and I found it most interesting reading.

I also want to take this opportunity to say how sorry I am to see you leaving the Bureau of the Budget and to express my sincere appreciation for your fine understanding and cooperation in handling our problems in the past.

With every best wish for the future,

Faithfully,

Allen W. Dulles
